OUR MISSION

St. Joseph Children’s Home believes that every human being deserves safety and love and remains a top leader in the state for taking care of children. Our mission is simple: Giving Children a Home. Each of our nearly 1,400 donors, 140 staff, and nearly 1,000 volunteers live that mission everyday by touching the lives of 1,500 children and families served annually across three core programs:

residential treatment, therapeutic foster care and adoption, and child development center.

The sad reality is that Kentucky is facing an epidemic of child maltreatment with nearly 10,000 children currently placed in Kentucky’s foster care system today. With so many children in need of help, it is up to all of us to keep Kentucky’s children safe from harm. Invest in the future of St. Joe’s kids by supporting the annual fund today! For more information on how you can make a difference in a child’s life, please visit www.sjkids.org.
