

2022 Impact Report

*Love &
Growth*

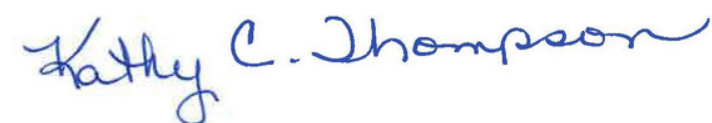

*Resiliency &
Hope*

To Our Wonderful Supporters:

THANK YOU! In 2022, St. Joe's kids and families once again overcame the adversity and challenges thrown at all of us. Thanks to our essential staff, Board of Trustees, and everyday acts of kindness by community members like you some of our proudest accomplishments of 2022 include:

- This year, an amazing **10 children found their forever homes** through St. Joe's.
- We are providing therapeutic services to kids and their families through our behavioral health services program.
- For the first time, we raised \$1 million through our **St. Joe's Picnic for the Kids**.
- With the help of our partners, Kelley Construction and Stengel-Hill Architecture, we've completed the renovations of our historic Landmark Building.

These major milestones are a direct result of YOUR impact. Thank you for investing in St. Joe's mission of "Giving Children A Home."

Kathy Thompson
2023 President, St. Joe's Board of Trustees

Grace Akers
Chief Executive Officer

Our Mission

Giving Children A Home Since 1849

Kentucky ranks #5 in the nation for child abuse and neglect, but our staff is dedicated to reversing this disturbing trend with the addition of our behavioral health services program which provides therapy to kids and families in the community.

In 2022, it was our privilege to serve over 1,000 children, foster parents, and family members. St. Joe's helped children heal from their traumas, connected them to their forever families through foster care and adoption, as well as provided high-quality child care.

Love

Building Forever Families

Renovation & Campus Improvements

Our Vision

Since 1885, the St. Joe's staff has served more than 75,000 children in need from the iconic Frankfort Avenue Landmark Building.

The original structure faced staggering maintenance issues and escalating annual repair costs. The once stoic, three-story building housed an outdated, behemoth set of internal mechanics, and a 19th century floor plan that no longer supported our 21st century programs.

The \$19.5 million renovation included repairing our 90,000 square foot main Landmark Building that serves all four of our programs, building new school classrooms for our children in our residential program and future plans to renovate our gym.

Program

residential treatment

St. Joe's Residential Treatment program cares for children who have been removed from their homes due to abuse and neglect and is licensed to house up to 48 children (ages 6-15) at a time. St. Joe's becomes an extended family for many residents and it is not uncommon for a child to say, *"For the first time, I feel safe."*

“

St. Joseph Children's Home is an amazing place...I went to St. Joe's as a child because my family at the time was young and struggled to raise me. I was also a lost kid trying to learn about life. It happens to a lot of us. The memories I had there are awesome. When I felt like I had no one, St. Joe's made sure I knew they had my back. That place is one of a kind. Thanks for everything y'all do. I stand with you guys.

— Victor Hayes, St. Joe's Residential Alumnus

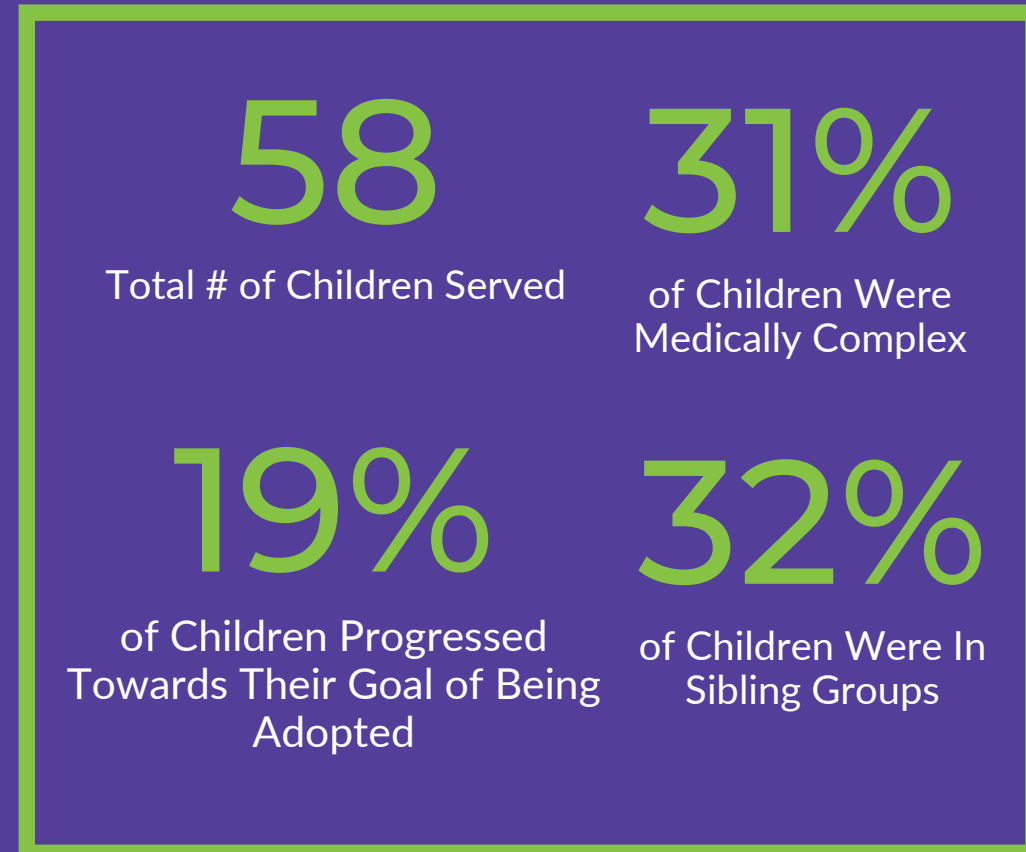

Program

therapeutic foster care & adoption

Our program serves children from infancy to 21 years old who are currently placed in Kentucky's foster care system. The St. Joe's foster care and adoption team recruits and trains individuals from the community to become foster parents while also providing 24/7 support to meet the various needs of our families. We continue to have one of the highest rates of adoptions of any private child-caring agency in Kentucky.

189

Total # of Children Served

Program

child development center

St. Joe's boasts one of the best preschool programs in the city by providing children with a warm environment, filled with love, good physical care, and an atmosphere for learning. A standards-based curriculum and an excellent teacher to student ratio are all benefits of this state-accredited program. The Child Development Center also features an in-house enrichment program for 2-5-year-olds (music, movement, science, and art).

“

Every morning my daughter and I are welcomed with such positivity and enthusiasm by all the staff that are there to take care of her. Every single day my girl has come home plum worn out, and I know it's because she has had a full day surrounded by love. My husband and I could not be happier!

— Natasha Durham, CDC Parent

Healthy Body, Healthy Mind

Chef Finbar and his team deliver healthy and personalized meals to hundreds of children every day at St. Joe's. Long staff tenure combined with Chef Finbar's fine dining experience help create nutritious cuisine for St. Joe's children and staff.
