Thanks to You, SJ@Play Will Change Lives

In 2025, we embarked on a huge undertaking with the birth of SJ@Play, which is the new health and wellness complex we're building for the kids who live on our campus. When we began conceptualizing the playground in mid-2025, we knew it would be no small feat. But we also had faith in our community – and you didn't let us down.

SJ@Play marks the beginning of a brighter future for our kids. They can reclaim normalcy, and they will have a constructive outlet for healing from their trauma.

This is what success looks like. Thank you to our loyal supporters for making the needs of our kids their priority. We can't wait to see the finished playground and the smiles on the faces of our SJ kids.

Amanda Schreier

Our Purpose

We provide inclusive and compassionate care to ensure a safe home and bright future for every child in our diverse community.

Kentucky ranks #4 in the nation for child abuse and neglect. Our staff is dedicated to reversing this disturbing trend with the addition of our Behavioral Health Services Outpatient Program which provides therapy to kids and families in the community.

In 2025, it was our privilege to serve over 500 children, foster parents, and family members. St. Joe's helped children heal from their traumas, connected them to their forever families through foster care and adoption, as well as provided high-quality childcare.

The VanZant family adopted their daughter, Skylar (right) on August 7, 2025.

“

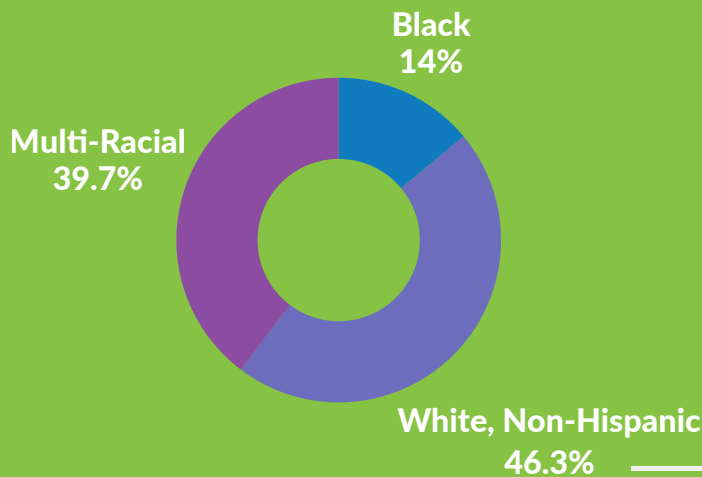

I couldn't be happier that we stumbled into St. Joe's. it's brought Maddex into our lives and changed our lives, but I also see how impactful it is as a broad organization.

– Billy Fulton, a SJ parent

82%

Percentage of children discharged out of foster care to a family

Our Foster Care and Adoption Program serves children from infancy to 21 years old who are currently placed in Kentucky's foster care system. The St. Joe's foster care and adoption team recruits and trains individuals from the community to become foster parents while also providing 24/7 support to meet the various needs of our families. We continue to have one of the highest rates of adoptions of any private child-caring agency in Kentucky.

Total # of Children
Served

St. Joe’s boasts one of the best preschool programs in the city by providing children with a warm environment, filled with love, good physical care, and an atmosphere for learning. A standards-based curriculum and an excellent teacher to student ratio are all benefits of this state-accredited program. The Child Development Center also features an in-house enrichment program for 2-5-year-olds (music, movement, science, and art).

50%

of Children Transitioned Out of Care To a Family

St. Joe's Residential Treatment program cares for children who have been removed from their homes due to abuse and neglect and is licensed to house up to 48 children (ages 6-15) at a time. St. Joe's becomes an extended family for many residents and it is not uncommon for a child to say, "For the first time, I feel safe."

Healing Starts Here

At St. Joseph Children's Home, keeping families together plays an important role in the work we do. In addition to our Therapeutic Foster Care and Adoption Program, we have a Behavioral Health Services Outpatient Program. BHSO provides our St. Joe's families and the community with the emotional support they need to flourish. Our services include mental health therapy, targeted case management, and comprehensive community support services.

Nurturing Wellness

St. Joe's believes good health and happiness starts with nutrition. Chef Finbar and his team plan a menu of wholesome, nourishing meals for our St. Joe's children and staff.
